Al Hadeeqa Contracting is a Dubai-licensed contracting firm with over 15 years of experience delivering construction, fit-out, and outdoor solutions across the U.A.E.

Through our specialist glass and aluminium division, we supply and install bespoke shower enclosures, mirrors, staircases, doors, windows, partitions, pergolas, and carports — all manufactured to exact specifications and installed by our in-house team.

Every project begins with a free site assessment. Our consultants visit your property, take precise measurements, advise on materials and finishes, and prepare a detailed quotation — with no obligation.
